

ApprovalMax Pricing Update

Effective 1 December 2025

Over the past year, we've released **more than 60 new features**, strengthened **security**, and improved **platform performance** to help you manage approvals and financial controls more efficiently than ever. You can explore these updates on our [What's New page](#) or by joining our ["End of Year" Product Update Webinar](#).

To ensure we can continue investing in future innovations and delivering the highest quality service, **our pricing will be updated from 1 December 2025** to reflect the expanded capabilities and ongoing improvements.
